Professional Exchange Programme

We believe that we are the first to provide this service to the Food and Packaging Industry!

By signing up for the Professional Exchange Programme you are gaining a broader knowledge of the industry whilst opening doors to career progression.

We want to support you by offering participants the opportunity to exchange skills and learn new ways of running operations. Taking part will afford you these and many other benefits, both personally and professionally.

Why not check out the FAQs by clicking here.....

We believe this to be an amazing opportunity and therefore offer this for a one-off administration fee of £30.00+VAT, payable only when you are paired up with your exchange partner. We'll be there too, to support you and help you along the way.

The spotlight this month is on STC Auditing & Inspection Level 3

This 1-day Level 3 course will qualify you as a 1st party internal auditor and a 2nd party supplier auditor. It is a useful precursor to becoming a 3rd party Lead Auditor. The course is accredited by the CPD Standards Office and the content has been developed by experienced Lead Auditors.

Holders of the qualification will have the knowledge necessary to effectively audit and inspect professionally and ethically for compliance, and to identify risks that require mitigation.

Next course date 29th July 2020 | Price pp £290 + VAT

Consultancy Services Directory

We want to develop this page to provide a national directory of Consultants!

All part of our 'one stop service' and completely FREE to join or use, we're providing verified consultants with an opportunity to advertise their business and for Food and Packaging Companies to source respected auditors to ensure that they are meeting the required standards.

Many of our advertisers have been trained by us, so we can fully attest to the standards they have achieved! After all, we are a specialist training and consultation provider!

Consultants - Build your business by registering to be listed in our directory – where you can advertise your services for free and showcase your skills. Visitors to the [website](#) will be able to see your profile and contact you directly. Email steph@1stc.uk to request the application form.

Looking for a consultant? - By searching our directory, you will be able to find a Consultant that matches your needs and contact them directly. Not quite sure, then contact us and we will do our best to find the right person for the job!

Job Vacancies Directory

We are developing this page to build links between companies that support their employees with strong training and CPD, with those that have excelled in their learning and acquisition of skills.

Got a vacancy to fill and need to find someone with the right qualifications that can step into the role? Why advertise with us?

We are a food and related industries training specialist - our trainees are professionals who have met the required standards and are looking for rewarding jobs to showcase their skills. The person you are looking for may well have been browsing this site looking for you! And the best of this is, that our service is completely free... all we ask is that you let us know when the vacancy is filled, and we can remove it from our list.

Click [here](#) to request the application form and then return to us along with the job description and person specification documents. We can then advertise your vacancy and visitors to our site can browse and contact you directly. It's that simple!

Recently added to your skills and looking for a new role? Why search here?

We are local, national and international training providers and consultants; recognised and approved training partners of BRCGS. Our own accredited courses are designed by Professionals to include current challenges facing today's industry. Companies come to us safe in the knowledge that we can train their staff to the highest standards. So, if you see a vacancy that you'd like to apply for, then contact the company direct and mention that you saw the vacancy on our page. Let us know too, we want to make sure that we're providing you with a complete service!

Browse our latest vacancy listing and find the role you've been waiting for.

Need to gain more skills to get that dream job?– pop over to our training page [and browse the courses on offer](#) or call 01553 611878 or email info@lstc.uk.

Top –Tip for June

This month has been all about developing and expanding our ideas to support YOU in this industry, especially during such unprecedented times. So it seems appropriate to give you some top tips on CV writing

CV Writing

- Mention your achievements – be proud of what you have done & show what you can do
- List your qualifications – and prioritise those that are relevant to the position you want
- Include other skills that could enhance your role – such as IT / Engineering /Languages
- Keep it around 3 pages – not too short and not too long!
- Check and check and check again – get someone else to check as well if you can
- Give examples of your success.

If you're stuck for ideas, here's a link to help you
